RENFREW HYDRO INC. WELCOMES A NEW PRESIDENT

The Board of Directors is pleased to announce that Lance Jefferies will be joining Renfrew Hydro Inc. on July 15, 2019. Lance is a seasoned leader who brings a wealth of experience from his career in the utility industry.

Lance holds a Masters of Business Administration from the University of Ottawa and a Masters Certificate in Energy Sector Leadership from York University. Prior to joining RHI, he has held progressively responsible positions with Ottawa Hydro, including his first role as a Power Line Maintainer up to his most current role as Chief Electricity Distribution Officer.

“I am very excited to welcome Lance to our team”, says Bruce Rozycki, Chair of the Board. “As an experienced leader, he will support the Board and staff in bringing continued long term value to our shareholder, customers and the community through the delivery of efficient, safe and reliable service.”

Lance resides in Pakenham with his family. He is a member of the local Civitan Club, is an active community event organizer and enjoys skiing, golfing and playing hockey.
