Renfrew Hydro is looking for your input. Our company is developing its business plan for the next five years.

This plan will form the basis of an application to the **Ontario Energy Board** to change rates for 2023.

This plan will determine the level of spending and investments Renfrew Hydro makes in equipment and infrastructure and the services we provide, as well as the rates you pay.

By completing our online survey, you can help Renfrew Hydro to better understand the needs and preferences of customers like you, and help us align our plan with what you have shared.
